

# Young Ambassador of Flight Scholarship Program

1st RC Flight School is thrilled to announce that thanks to the generous donation of a flight school alumnus, we are able to offer training scholarships to four aspiring young aviators.

Scholarships include 3 days of professional RC flight training, a full 1 year AMA membership, training manuals, and a ready-to-fly AeroScout trainer to take home.

Applicants between the ages of 11 to 17 are asked to submit letters expressing what makes them an ideal candidate for the scholarship. Examples:

- How you might use your flight school experience to fuel a potential aviation career?
- How, by your example, you could help other club members become better safer pilots?
- How you might empower other youth to discover the excitement of model aviation?
- How often do you volunteer within your RC club and community?

Date: July 11-13, 2022. Applicants will be chosen late May.  
Travel expenses, lodging, meals, etc., not included.
